

*Rotary Clubs of Northern California Foundation Against Substance Abuse*

*Application for One-Time Matching Funds Grant Request*

The **Sundial Raffle Raffle** is a unique event designed as a fundraising opportunity for the Rotary Clubs of Northern California Foundation Against Substance Abuse and local schools and youth groups. With the transition from Ducky Derby to the Sundial Raffle Raffle we have returned over \$5 million to local schools and youth groups.

Funds from the **Sundial Raffle Raffle** are to be used for **Substance Abuse Prevention Programs** and **Youth Development**. This is a unique partnership, where Redding East Rotary provides the infrastructure for students to sell tickets. If the Rotary Club is able to raise adequate funds to cover the cost of the race, 100% of ticket sales are returned to the youth groups.

*We want our kids to get "high" on things other than drugs and alcohol. We believe that helping them to fund activities that do, those activities will lead to better long-term health and making good choices throughout their lives.*

This matching grant opportunity is limited to \$2,500 per grant. The Foundation has limited the total funding for these grants' opportunities to \$5,000 annually. The purpose of this grant opportunity is to encourage sales of Sundial Raffle Raffle tickets and an opportunity to qualify for matching funds. The goal of this program is to help groups raise funds for underfunded projects for their youth. We are looking for qualifying new groups who have NOT sold tickets in the last two years.

**Deadlines & Submissions:**
